At America's Advantage Remodeling,
We Believe You Deserve
Expert-Design,
Financial Flexibility,
Uncompromising Craftmanship
To Deliver A Memorable
Home Improvement Experience.

WHO WE ARE AS A COMPANY

Since 2001, we have been helping Sacramento and Bay-area residents turn houses into homes. Every member of our team fully appreciates the sensitive nature of being welcomed into another's home, which is why we take such great care to ensure that projects exceed the expectations of our clients.

Specializing in every aspect of home remodels – from residential additions and replacement windows to full kitchen renovations and bathroom remodels – we pride ourselves on our attention to detail and the thrilled reactions we receive when the finished product is finally unveiled.

We are a family business, and are proud to call Sacramento-area homeowners our neighbors!

If you have any questions, please ask! We're always here to help. After all, we love remodeling homes, and any opportunity to share our passion is a welcomed one!

FROM OUR FAMILIES TO YOURS!

WHAT WE DO

Kitchen Remodels

Let us help you create your dream kitchen and make it a reality. From cabinetry, countertops, backsplash, faucets, sinks, to flooring. We are here to help from selections to install, so that you may have the perfect kitchen to fit your lifestyle.

Bathroom Remodels

Want to update your bathroom? Tile your shower walls and add some glass doors? We got you covered! Whether you just want to tile your floors, add a walk-in tub, or change out the counter tops. America's Advantage will assist in your needs.

Siding

Is it time for the exterior of your home to get a nice face lift? Dress your home up with gorgeous siding! we offer many siding products to help bring some nice curb appeal to the exterior of your home.

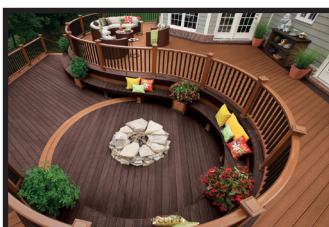

Windows

Time to update your windows? Have some failed windows? Let America's Advantage Remodeling help you choose the right windows for you! Windows that are: energy efficient, help isolate noise from the outside, help keep your home cooler and keep your utility bills low.

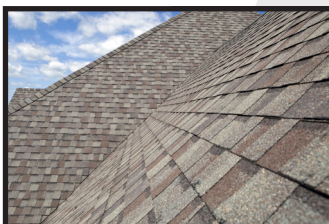

Mobile Homes

We offer our remodeling expertise to mobile home owners as well! We offer: kitchen, and bath remodels, decks, sunrooms, earthquake braces, awnings/ car ports, siding, foundation work, leveling, lightning, tub conversions.

Decks

Whether you want to add or redo a deck. You came to the right place! America's Advantage specializes in decks. We offer redwood decks and composite decks. Check out our deck section for more information.

Roofing

Have a old roof that needs to be replaced? We have a wide variety of composition shingle colors to help match your homes exterior and bring more curb appeal to your home.

RATINGS

Angie's List

A

Reviews speak for themselves! We strive to keep our customers satisfied throughout the duration of the project. Check us out on Angie's List. We have been verified by Angie's List as "A" rated.

Ratings: ★★★★★

Yelp

America's Advantage Remodeling holds a 4.5-star rating with Yelp. We rely on Yelp to help us monitor the quality of service we provide. We rely on customer feedback to help monitor our customer satisfaction.

Ratings: ★★★★★

CERTIFICATIONS

SPONSORSHIPS

God Will Provide International Missions

We have reached out to many different countries, and grown into an international support system. We have established many rehabilitation centers. We function as a network through which we connect with people and help them overcome drug and alcohol addictions. As we arrive to any new country, our plan is to build an orphanage for parentless children in the community and be there international support system.

St. Jude Children's Research Hospital

The mission of St. Jude Children's Research Hospital is to advance cures, and means of prevention, for pediatric catastrophic diseases through research and treatment. Consistent with the vision of our founder Danny Thomas, no child is denied treatment based on race, religion or family's ability to pay.

Hope for Paws

Too often, people undervalue their furry friends and abandon them in their backyards, on the streets or at the shelters. These animals die from starvation, abuse, and euthanization. These valuable creatures help us whether it is assisting the blind or finding people under the rubble from an earthquake. They help us in times of need and we would like to help there lives just alike.

Amistad Building Homes for the Needy

Amistad is a ministry were people join together to build homes for the needy in Mexico were people live on top of landfills and don't have a structure or roof over there heads to call a place a home. Every year Amistad ministries builds homes for the less unfortunate in Mexico.

California Professional Firefighters

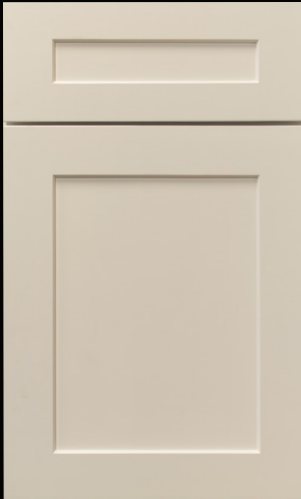

The California Professional Firefighters CPF was formed in 1938 and currently represents 30,000 professional firefighters in California. It is one of the nation's strongest and most influential public employee organizations.

Prodigy Provides Peace of Mind

Prodigy has peace of mind built right in, proudly offering the strongest warranty in the industry. Prodigy siding and accessories are backed by lifetime limited warranties,** including an industry leading fade warranty. Copies are available by writing to:

Alside Siding Warranty Services
3773 State Road
Cuyahoga Falls, OH 44223
Phone: (800) 489-1144
Email: sidingwarranty@alside.com

X Preventol® Preventol® TM discourages termites from nesting behind your siding, yet it's environmentally friendly and safe for humans and pets.

When installed correctly, Prodigy, with insulating foam underlayment, can help meet the performance guidelines of an ENERGY STAR® qualified new home.

SEE AND FEEL THE DIFFERENCE.

ENERGY EFFICIENCY

ProdigyComfortFactor

A Comfortable Home Year-Round.

Prodigy delivers outstanding all-weather protection and can reduce your energy costs, thanks to the exceptional R-value of its industry-leading thermal barrier – up to 1½" thick insulation,* the thickest EPS foam available in a one-piece insulated siding system.

ThermoSphere™

Energy Gap Protection.

With innovative features like RigidLock and TrueForm™ combined with a full line of insulated trim and accessories, Prodigy creates a blanket of insulation around your home.

ENGINEERED PERFORMANCE

TrueForm™

One-Piece Insulated Siding System.

Precision-contoured insulation – up to 1½" thick* – bonds securely to the siding panel, creating an integrated system that delivers remarkable strength and energy efficiency.

RigidLock

Secure Interlocking Panel Design.

Prodigy's innovative interlocking panel design provides a tight, secure connection between stacked panels. This ensures your siding will be securely locked in, have straight and even course lines, and look great for a lifetime.

MonoWallIntegrity™

Structurally Independent Wall System.

Structural integrity and rigidly interlocking panels mean Prodigy stands tall on its own. The siding that stands on its own will stand up to almost anything.

INSPIRED BEAUTY

TrueCourse™

The Look of Hand-Installed Boards.

Designed and expertly manufactured to capture the look of traditional plank siding. Available in double 6" clapboard, double 5" dutch lap and single 7" profiles.

ExtendedLength

More Panel. Less Seams.

39% longer than a standard 12' panel, the 16'8" Extended Length panel design provides fewer installation overlaps for a straighter, cleaner exterior finish.

TrueWoodLook

Crisp, Clean and Subtle.

We drew our inspiration from nature and designed Prodigy with a less-is-more sensibility. The look and feel of Prodigy is an important statement of credibility and taste. Crisp, clean and subtle, the appearance of finely milled wood attracts admiration without seeking attention. The understated look is timeless and genuine.

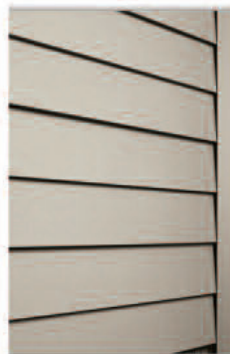

TrueForm™

Traditional vinyl siding is no match for the Prodigy insulated siding system. Prodigy provides exceptional protection against energy loss and the distortion and fading caused by extreme weather. Prodigy's system bonds an inner core of the thickest, high-density EPS insulation with a durable and beautiful outer layer – creating an integrated system that delivers remarkable strength and performance. The result: your installer can achieve a uniform outer layer with a beautiful finish that holds true.

RigidLock

The exclusive RigidLock with tongue-and-groove design means Prodigy stacks firmly and locks in place with a tight connection and a satisfying "snap" that ensures a secure installation.

TrueCourse™

Quality from a different perspective. Prodigy is designed to look just like single, hand-installed boards. Even from the bottom up.

MonoWallIntegrity™

Intrinsic strength is the hallmark of the MonoWall Integrity feature. Combining secure locking and panel rigidity, Prodigy creates a veritable wall of its own.

Warranty

We back LP SmartSide products with one of the absolute best warranties in the market: A 5/50-Year Limited Warranty that provides a 5-year, 100% labor and replacement feature and a 50 Year Prorated Limited Warranty on the product.

That's peace-of-mind protection for you and your customers for decades to come. And it applies to every LP SmartSide Trim & Siding product we make! Visit us online at LPCorp.com/SmartSide for complete warranty details.

WINDOWS

Saving energy is more important than ever.

Conserving natural resources, helping keep your energy costs affordable and making your home comfortable are all reasons that your windows and doors should be as energy-efficient as possible. That's why DaylightMax windows are designed for superior thermal performance. You'll not only notice a difference in the year-round comfort of your home—you'll appreciate the comfort of lower energy costs month after month, year after year.

Take the Simonton Challenge

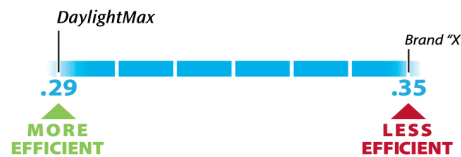

Compare DaylightMax with the same Gas, Glass and Spacer options in any competitive window and see the U-Value Advantage for yourself. Be wary of manufacturers who claim better U-Value performance but add costly options to meet DaylightMax performance.

The truth is in the numbers.

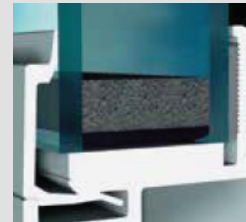

Just as a car's MPG makes it easy to compare the fuel efficiency of different models, a window's U-value makes it easy to compare energy efficiency between different window options. The lower the U-Value, the more efficient the window is. When comparing window options, ask for and compare the U-Value performance.

U-VALUE NUMBER

Supercept™ System

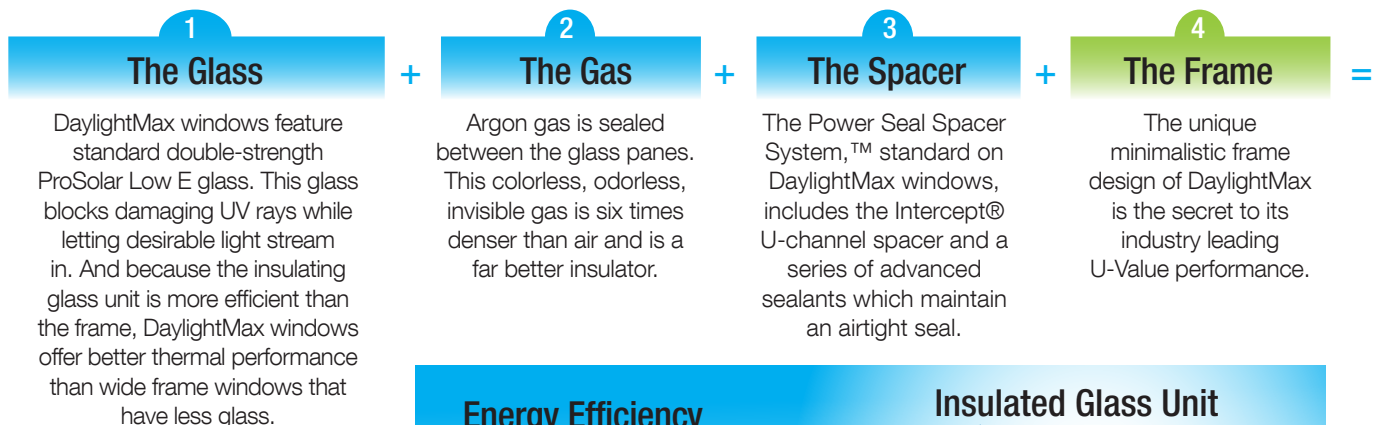

The optional Supercept™ spacer features a U-channel design and is made of stainless steel alloy for better thermal performance and increased strength.

Super Spacer® System

The optional Super Spacer® is made of non-metallic foam that is resistant to temperature transfer. Its flexible design makes it the best choice for curved windows.

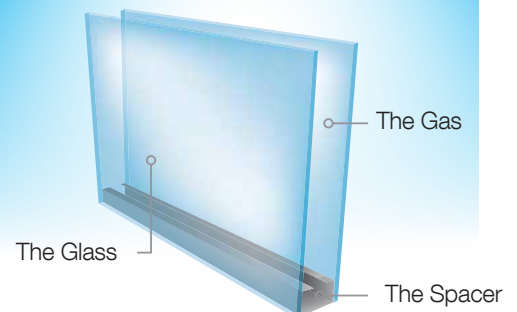

FOUR COMPONENTS THAT BOOST THERMAL PERFORMANCE

Energy Efficiency

Since the glass, gas and spacer are available to all manufacturers, the real difference in the energy efficiency from DaylightMax comes from the frame design.

Insulated Glass Unit

Take the basics beyond

Simonton DaylightMax™ windows are available in frame styles to meet every installation and architectural need. Select from one of three decorative stucco trim frames or ask your installer what custom trim options they offer with our block and nail fin frames.

Now that you've selected the ultimate windows for your home, may we suggest the perfect patio door?

Simonton patio doors help open living areas, bring the outside in and are an excellent way to make the most of a great view. Whether you choose the versatile Hinged Patio Door, the elegant French Sliding Patio Door or the sleek Contemporary Patio Door, you'll love the view from here.

The French Sliding Patio Door features a wide stile and rail design that provides the elegant look of a French Rail hinged patio door with the space-saving operation of a sliding patio door.

The Contemporary Patio Door boasts a sleek, streamlined profile. The broad expanse of glass afforded by a narrower panel frame results in larger sight lines for a clean, unobstructed view.

Lumera Fiberglass Hinged Patio Door combines the elegant design of a true French hinged patio door with low-maintenance, energy-efficient fiberglass construction. The fiberglass panel resists dents and dings from day-to-day traffic and will never rust, corrode or rot. And you won't find a more energy-efficient door on the market today.

ROOFING

Aluminum Screen

Power-Coated Steel Screen

Painted Aluminum Covers

Fascia Gutter Style

Ogee Gutter Style

GUTTER OPTIONS

- Available sizes: 5", 6", 7"
- Large rain gutter systems can move larger amounts of water without overflowing that can cause building structure damage.
- Larger rain gutter systems can reduce the amount of downspouts around your home.
- 7" Seamless gutters can handle 20% more water than 6" gutter systems.

Seamless gutters are molded to length and installed as one single piece on each side of your home. Seamless gutters are not entirely seamless because gutters that run and stretch around corners require seams on both sides of the corner and around downspouts. However, this new system minimizes leaks, and helps prevent debris to form blockage since they are a straight shot of metal from one end to another.

WHAT OUR CUSTOMERS SAY

“ I have been very impressed with the way ‘ALL’ the America’s Advantage Remodeling contractors undertook my installation. They went above & beyond my expectations. They worked very well with my requirements and I would go as far as I’d say that it was a pleasure to have them on site. I would not hesitate to recommend A.A.R. to friends and family. ”

-M.D. San Jose, CA

“ We were very happy with the siding job. Eugene and the workers were awesome! They were very pleasant and easy to work with. ”

-M.M. Pacifica, CA

“ Showed up to work on time. Did the job mandated to do. Were open to suggestions/ opinions without attitude. Would recommend and will use A.A.R. again on additional projects. ”

-E.P. Carmichael, CA

“ Great job!! Very hard working men. Very kind and considerate. So happy with the way the house looks, like a new one! These men that come and do all the work are of such great character. We very much admire them and wish them the best in life. ”

-T.D. & S.H. Lompoc, CA

“ Excellent work, very reasonable price. I am a happy customer, and will not hesitate to recommend A.A.R. to friends and relatives. ”

-A.A. Colma, CA

“ Thank you so much for a beautiful job. You were all easy to work with from start to finish. I will refer you to anyone in need of remodeling. Thank you! ”

- K.K. & C.M. Santa Cruz, CA

“ Very satisfied, the crew worked hard and into the evening. Results were excellent. They did all corrections promptly and cheerfully. ”

-K.L.Y. Carmichael, CA

“ Felt good from the start. Work done promptly, professionally, and joyfully. We are very happy. Would recommend! ”

- C.E. Sunnyvale, CA

“ Very pleased with installers. They were both very polite and hard working. Made sure everything worked before leaving. Would have them back for other work when needed. ”

-R.R. Hayward, CA

“ Buying our first home was a huge financial decision. We also saw the need to update the house as soon as possible to be able to enjoy it more over the years. After many window estimates, it was clear that no company gave a better presentation or offered a better price than America’s Advantage Remodeling. Eugene worked with us on the price so that we could afford the project sooner and we are SO GLAD we made this investment in our home. The job was processed quickly to allow us to get the 2009 tax credit, but no quality was lost on the actual job. The team worked methodically to install all the windows and doors in just 3 days. (It was a BIG job!) They arrived on time did great work and were clean and polite too! We will call A.A.R. first, when we are ready for our next renovation! THANK YOU! ”

- A.D.I. Fairfield, CA

“ We are very satisfied with windows and siding. Everything is outstanding. A very good crew. We will recommend your company. So many friends and neighbors stop to look and comment on what a difference. ”

- B.V.L. Olroehurst, CA

“ Workers are very professional and courteous. At the end of the day, they always clean up. Great Job! ”

- R.S. Vallejo, CA

“ I have received excellent service, product and prices. My laminate flooring is stunning; my shutters are exquisite. And your company offered outstanding service and product for a full, affordable price. You are trust-worthy. I couldn’t be more thrilled with your business. Thank You! ”

- L.S. Sacramento, CA

“ I’m very impressed with your company. Professional work as well as the teams work ethic. ”

- K.E. Pittsburg, CA
